Re. Submission: Dublin Mountain Visitors Centre and all associated works in the:
Townlands of Mountpelier, Killakee and Jameson in South Dublin REF: JA0040

Dear Sir/Madam,

This is our second submission re. plan for The Hellfire / Massey forest development.
(See your ref 06S.JA0040)

I read through Environmental Impact Assessment Report updated version dated 6th
February 2019, especially to see if my fears relating to the protection of the Red
squirrel have be met.

I object to this destruction of the red squirrel's habitat, and I do not think monitoring
is mitigation as stated in the report.

Also because of the Corona virus we cannot afford to waste millions on this tourist
attraction.

Regards,

Aisling, Pat and Jasmine Howard
